

# Hoffman Estates High School

---

**Janette Wanner**

1975 - 2008 ♦ Hoffman Estates High School ♦ Teacher / World Language Department Chair

**Years with District 211:** 33

**Fondest Memories:** *Teaching at Hoffman Estates High School has been a major part of my life since student teaching here in the fall of 1974. I have enjoyed our ever-increasingly diverse student population — never a dull moment! It has been a pleasure being part of a staff that is so creative and willing to take risks to improve our school for students. High points for me were being part of the Block Scheduling Steering Committee and our foreign exchange programs - a career full of memories!*

**Retirement Plans:** *I plan to kick off my retirement with a trip to Alaska with some of my retired District 211 foreign language teacher friends. Then, I just may learn a new language, become a better horsewoman, and read novels whenever I want ... who knows what the future will bring!*
