

Greetings from our house to yours with news from 2005

2005 started with a visit to New York with Louise to see Jeff, Yunxia and Hong as well as Buck and Lily. A special surprise was seeing *The Gates* in Central Park. In April we hosted the German Exchange for the 26th time.

Janette started another season of horse shows. In June Reinhard retired and then went to Munich with 17 students for three weeks. In August Herbert and Gerlinde visited and the four of us went to Colorado for a week. We enjoyed the 19th annual Lot Party (125 people) before we started another school year (Reinhard part-time and Janette's 30th).

The fall was again filled with the usual school activities, the 58th Fort Reunion, a visit to see Lily in Washington DC and our 20th Wedding Anniversary trip to St. Thomas. We also were able to see James Taylor and Paul McCartney in concert, cuddled our furry friends Raudi & Tobi (12 years old) and saw movies (only 46). Janette is still doing yoga as often as fits into her busy schedule. Reinhard plays his monthly poker (12th year), Frisbee Golf (194 games) and has started building a cabin with his friends Larry and Dave. Janette is still busy as Treasurer of AATSP and Foreign Language Department Chair and Reinhard as the HEHS webmaster: <http://www.hehs.d211.org/>
