

Greetings from our house to yours with news from 2007

2007

started with a visit to New York to see Jeff, Yunxia and Hong (age 3) as well as Buck. In March we flew to Las Vegas for our Spring Break. Janette started another season of horse shows with Farryly and Bary in May. In June we flew to Madrid. After a few days together, Janette spent a week riding and Reinhard visited Wilfried in Holland. In August we met Jeff, Yunxia and Hong in the Berkshires of Massachusetts. Before flying home we visited with Janette's cousins at Mike and Tina's house in Boston. We enjoyed the 21st annual Lot Party (86 people) and our pool before Janette started another school year (her last one before retirement).

The fall started with the 60th Fort Reunion. Reinhard helped with Donald's recovery after his heart surgery. Sadly, in October Bary died of cancer after a month's decline in health. We miss him. We also spent a weekend in Door County with our friends and Reinhard flew to Scottsdale in November to visit Marty.

During the year we enjoyed getting together with our families and friends, catering to Raudi & Tobi (14 years old), going out to eat and seeing movies (76). Janette is still doing yoga and rides as often as fits into her busy schedule. Reinhard plays his monthly poker (14th year) and plays Frisbee Golf (115 official games). Janette is still busy as Treasurer of AATSP and Foreign Language Department Chair and Reinhard works on various websites and attends retiree functions.
