

Greetings from our house to yours with news from 2017

2017 was another year filled with travels, fun, accomplishments, memories, and growth. We were able to visit with many friends and family at our house and theirs and follow our friends' and family's activities throughout the world.

Our travel year started with flying to Scottsdale, AZ to visit Marty and Barbara in February. In August we flew to New York to see Jeff, Yunxia and Hong as well as Buck. Reinhard went with Wilfried on a Hurtigruten cruise up the coast of Norway in August, and then continued on to Bad Homburg, Germany. In November Reinhard took a road trip to New York visiting various family members. And then there were numerous trips to Morton.

In other news: Janette is now the proud owner of an Apple Watch. Louise came to visit one more time in February. She has now moved to Holly Brook in Morton, a nice senior living facility. And we had a visit in July from Daniela and Katharina from Germany.

We spent time on yard projects and with our dog Tailer and enjoyed the pool. Occasionally we rode our bikes along the Fox river. In November we spent our anniversary once again in Chicago. Janette still rides at Rancho del Rio in Wisconsin and started a new volunteer job with Mane in Heaven, a miniature horse therapy organization.
